

[UPPER DENTON AND NETHER DENTON ENCLOSURE AWARD

dated 21 April 1800]

To all to whom *these presents shall come We Thomas Lawson of Kirkhouse James Boustead of Cumrenton and John Norman of Kirkandrews all in the County of Cumberland send Greeting. Whereas* in and by an Act of Parliament made and passed in the thirty-eighth year of the Reign of His Majesty King George The Third intituled "An Act for dividing and inclosing the Moor Commons and Waste Grounds within the Manors of Upperdenton and Netherdenton within and parcel of the Barony of Gilsland in the County of Cumberland " After reciting that there then were within the said Manors of Upperdenton and Netherdenton within and parcel of the Barony of Gilsland in the County of Cumberland several Moors Commons and Waste Grounds containing three thousand three hundred acres or thereabouts which said Lands in their then state yielded but little profit to the persons interested therein and that the Right Honourable

Frederick Earl of Carlisle then was chief Lord or Lord Paramount of the Barony of Gilsland and of the said Manors of Upperdenton and Netherdenton parcel thereof also as such seized or entitled to the Soil and Royalties of the said Moors Commons and Waste Grounds being parts and parcels of the said Barony and also was owner or proprietor of a certain Messuage Demesne and other Lands and Tenements within the said Manors and Also Reciting that the said Frederick Earl of Carlisle then was Lay Rector or Improprate Rector of the Parish of Upperdenton and as such entitled to the great and small Tythes of the said Parish of Upperdenton and that the Reverend Thomas Ramshay then was Rector of the said Parish of Netherdenton and also that the Right Reverend Father in God Edward Lord Bishop of Carlisle then was patron of such Rectory And after Reciting that the said Frederick Earl of Carlisle Thomas Ramshay and the said Edward Lord Bishop of Carlisle and the several and respective persons proprietors ...within the said Manors entitled to rights of Common or otherwise interested in the said Moors Commons and Waste Grounds were willing and desirous that the same should be divided allotted and inclosed in the manner thereinafter expressed But that such division allotment and inclosure could not be

effected without the Aid and Authority of Parliament also amongst other things enacted that the whole of the Moors Commons and Waste Grounds lying within the said Manors of Upperdenton and Netherdenton should as conveniently as might be respectively set out divided and allotted by us the said Thomas Lawson James Boustead and John Norman the Commissioners appointed by the said Act or our Successors to be appointed in such manner as therein is mentioned or any two of us in such manner and under and subject to such Rules Orders and Directions as in the said Act ordered established directed appointed and prescribed and that we the said Commissioners in dividing and allotting the same should have due regard to the quality and usefulness? of such [land] and every of other matter or thing relating thereto as well as to the quantity thereof and for preventing all delays and obstructions in the said division and determining all differences disputes and objections which might arise or be made touching the boundaries of the said Moors Commons and Waste Grounds intended to be divided making known ascertaining and settling the same. It is by the said Act amongst other things further enacted that we the said Commissioners should openly publish in the daytime ride and perambulate or cause to be ridden or perambulated the said boundaries of the said Moors Commons and Waste Grounds

intended to be divided and inclosed on some day or days one month or more before the first meeting of the said Commissioners of which day or days of riding and perambulating the boundaries of the said Commons and Waste Grounds and of the hours and place of beginning to ride and perambulate the same, such public notice should be given as in the said Act is provided and set forth and that in case any person or persons body or bodies politic or corporate should have or make any claim or claims which might affect the boundaries of the said Moors Commons and Waste Grounds or any of them or any part thereof then such person or persons were thereby empowered and required respectively to give and deliver to us the said Commissioners at our said first or second meeting an account in writing subscribed as therein mentioned of such his her or their claim or claims touching the said boundaries and if the Manors for the time being or any one or more of the persons having or claiming a right of Common on the said Moor Commons and Waste Grounds or any of them by writing or writings subscribed as therein mentioned to be given and delivered in to us the said Commissioners at our said first or second or third meeting and the person or persons body or bodies politic or corporate making such claim or claims touching such boundaries as aforesaid shall persist in such claim or claims then and in such case we the said

Commissioners should and were thereby authorized and required to hear and finally determine all such claims as should be so given in and the objections thereto which claim and objections all persons any way interested in the said division or their respective agents should and might at all reasonable times inspect and peruse and take copies thereof without fee or reward and for the more just and regular division and distribution of the said Moors Commons and Waste Grounds so to be divided as aforesaid and for the better ascertaining the same it is by the said Act amongst other things further enacted that as soon as conveniently might be after the passing of the said Act a survey should be made by us the said Commissioners of the said Moor Commons and Waste Grounds and that the said Commissioners should also set out mark and ascertain by proper stakes metes or land marks the said Moors Commons and Waste Grounds to be divided and allotted by virtue of the said Act in the manner and pursuant to the Rules Orders and Directions of the same Act and further that we the said Commissioners should cause such previous notice of our first second third and other subsequent meetings to be given [1] as is directed in and by the said Act and for preventing all unnecessary delays and expenses in the said intended division and for fixing and ascertaining the Lands and Tenements entitled to right of Common on

the said Moors Commons and Waste Grounds and for settling and determining all claims objections differences and disputes which might be made or arise concerning such right of Common It is by the said Act further enacted that all persons having or claiming to have any right of Common upon the said Moors Commons and Waste Grounds or any of them should and may and were thereby required by themselves their agents or tenants respectively at the first or second meeting of us the said Commissioners for putting the said [...illegible...] execution to give and deliver in writing under their hands respectively at the first or second meeting of the said Commissioners present at such meeting a full true and just account of the Messuages Lands Tenements and Hereditaments (with the names of the tenants in possession) for and in respect thereof they respectively claimed such right of Common as aforesaid and that all persons neglecting so to give and deliver or cause to be given and delivered such accounts as aforesaid should be and were thereby excluded and debarred of and from all Right Title Part Share and Allotment of in to or out of the said Moors Commons and Waste Grounds and also from all right of Common and other rights Estates and Interests whatsoever of in or to the said Lands and Grounds to be allotted to any person or persons by virtue of the said Act and that no

claim or claims whatsoever of right of Common upon the said Moors Commons and Waste Grounds or any of them or any part or parcel thereof should be made received or allowed save at the first or second meeting of us the said Commissioners and that all and every claim or claims of Right of Commons in or upon the said Moors Commons or Waste Grounds which should be so given and delivered in writing to us the said Commissioners at our first or second meeting us the said Commissioners should be allowed and be fixed and conclusive to all persons whomsoever and should never thereafter be suffered to be litigated or disputed But that if such claim or claims of Right of Common should at the first second or third meeting of the said Commissioners be objected to by any two or more of the persons having or claiming rights of Common on the said Moors Commons and Waste Grounds or his her or their Attorney Solicitor Steward or Agent by writing or writings under their respective hands therein specifying and setting forth the causes or reasons of such objection or objections to be given and delivered to us the said Commissioners at our said first second or third meeting and the person or persons making such claim or claims should persist therein then and in any of the said cases We the said Commissioners were thereby authorized directed and required to hear and determine such claims and

objections by such ways and means and in such manner and form as under the said Act is prescribed And it is by the said Act further enacted that we the said Commissioners should and we were thereby required to set out and appoint such public roads and highways and also such private roads and ways through and over the Lands and Grounds thereby intended to be divided and inclosed as we in our discretion should think requisite the public carriage roads to be and remain of the breadth of forty feet at the least in every part thereof and the same should be well and sufficiently fenced on both sides by such of the owners and proprietors of the said Lands and Grounds thereby intended to be divided and inclosed and within such time as we the said Commissioners should by any writing under our hands direct and appoint AND that all former roads and ways which should be divided and allotted held and enjoyed as part of such Lands accordingly and further that the Moors Commons and Waste Grounds situate within and belonging to each of the aforesaid two parishes and Manors should only be subject to and liable to answer the several uses and purposes appertaining and belonging to the particular Manor in which the same were and are respectively situate AND that we the said Commissioners should and we were thereby authorized empowered and required according to the best of our Skills and

Judgment to assign set out and appoint a proper part or parts of the said Moors Commons and Waste Grounds for public Freestone quarries clay pits for making bricks and common watering places for Cattle AND also common wells for common use and benefit of the Lord or Lords Lady or Ladies of the aforesaid Barony and Manors respectively for the time being such Freestone and bricks to be used by the Lord or Lords Lady or Ladies of the said Barony and Manors for the time being and such Landowners and tenants respectively within the said Barony and Manors but not to be sold or otherwise disposed of AND should also set out and appropriate any other part or parts of the said Manor Commons and Waste Grounds for the getting Sand Gravel and other materials for making and repairing such public and private roads as should be set out and appointed or contained within the said Manors in pursuance of the said Act for any other purpose or purposes which to us the said Commissioners should seem necessary or expedient and it is by the said Act further enacted that we the said Commissioners should as soon as conveniently might be appropriate mark and set out by proper stakes or land marks so much and such part or parts of each of the said Moors Commons and Waste Grounds part of the said Manors respectively as to us should seem competent and necessary by sale thereof to raise money sufficient for paying and

discharging the charges and expenses in and about the applying for obtaining procuring and passing the said Act and for surveying measuring mapping planning dividing and allotting the said Moors Commons and Waste Grounds and setting out and marking public roads and ways drains and watercourses and preparing marking executing and inrolling the Award or Awards of the Commissioners and of electing Commissioners from time to time and all expenses attending the marking preparing executing and enrolling of Deeds and Instruments whereby any new Commissioner or Commissioners should be appointed and the Charges and expenses of the Commissioners and every other person or persons employed by them in and about the execution of the said Act and all other Charges [2] and Expences incident to the obtaining and passing thereof and carrying ...into execution and that we the said Commissioners should in the next place set out allot and appoint unto and for the said Frederick Earl of Carlisle said or Lord or Lords or Lady or Ladies of the aforesaid Barony and Manors for the time being in the entire plot or piece of land within each of the said Manors such quantity of the said Moors Commons and Waste Grounds as (quantity and quality considered) should in the Judgment of us the said Commissioners be equal to one full twelfth part or share of the remainder of the said

Moors Commons and waste Grounds as should remain after the allotment and appropriation thereinbefore mentioned in lieu of and for a full Compensation for the Right and Interest of the said Frederick Earl of Carlisle as Lord of the said Barony of Gilsland and Manors of Upperdenton and Netherdenton and of the Lord or Lords or Lady or Ladies of the said Barony and Manors for the time being in and to the Soil of the Residue of the said Moors Commons and Waste Grounds (Except as thereafter is mentioned) and as a Recompense for the consent of the said Frederick Earl of Carlisle to the Division and Inclosure of the said Moors Commons and Waste Grounds as Lord of the said Barony and Manors and should also set out allot and appoint to and for the said Frederick Earl of Carlisle his Heirs and Assigns so much of the said Moors Commons and Waste Grounds within the said Manor of Upperdenton as should in the Judgement of the said Commissioners be deemed equivalent to and a full recompense and Satisfaction as well for all Tythes Moduses and Compositions for Tythes and for in respect of the several old Inclosures and other Messuages Lands and Tenements within the said Manor of Upperdenton As Also for all the Tithes impropriate that might thenceforth arise and grow due to him the said Frederick Earl of Carlisle his Heirs or Assigns out of or for the said Moors Commons and

Waste Grounds of Upperdenton so to be divided and allotted And that we the said Commissioners should also set out Allot and Appoint to the said Thomas Ramshay and his Successor Rectors of Netherdenton so much of the said Moors Commons and Waste Grounds within the said Manor of Netherdenton as should in the Judgement of us the said Commissioners be deemed equivalent to and a full recompense and satisfaction as well for all Tythes Moduses and Compositions for Tythes (Except Easter offerings Mortuaries and Surplice fees) upon for or in respect of the several old Inclosures and other Messuages and Tenements within the said Manor of Netherdenton As also for all tythes Moduses and Compositions for tythes (except Easter Offerings Mortuaries and Surplice fees) which might thenceforth arise or grow due to the said Thomas Ramshay and his Successors Rectors of Netherdenton aforesaid from and out of the said Moors Commons and Waste Grounds of Netherdenton so to be divided and allotted And that we the said Commissioners from and out of the said Mors Commons and Waste Grounds of Netherdenton so to be divided and allotted and that we the said Commissioners should set out by Metes and bounds and allot in severalty the Residue of the said Moors Commons and Waste Grounds after the several allotments and appropriations thereinbefore mentioned should be made unto and

amongst the said Frederick Earl of Carlisle for and on account of his Messuages Tenements Lands and Hereditaments within the said Manors and the several other persons bodies politic or corporate entitled to right of Common upon the said Moors Commons and Waste Grounds of any of them for and on account of their respective Messuages Lands and Tenements within the said Manors respectively by and according to the rule or rate known within the said Manors by the name of Purvey or by and according to the clear annual value of such Tenements respectively as the said Commissioners should think most proper such annual value to be settled and ascertained by hte said Commissioners according to the best of their Judgement by and according to the Rules Orders and Regulatons in the said Act contained provided always and it is thereby enacted and declared that the Coal Mines Minerals and Metals lying under any of the Allotments to be made in pursuance of the said Act should not be taken into the calculation of or be in any wise adding to contributing to the value of such Allotments it being intended that all Coal Mines Minerals and Metals within or under the whole of the said Moors Commons and Waste Grounds should be reserved to the said Frederick Earl of Carlisle and the Lord or Lords Lady or Ladies of the said Barony and Manors for the time being in the manner thereafter

mentioned And it is by the said Act amongst other things further enacted that all Inclosures or Encroachments taken or made from or on any part or parts of the said Moors Commons and Waste Grounds respectively within thirty years before the passing of the said Act should be deemed part and parcel of the said Moors Commons and Waste Grounds to be allotted to him her or them respectively pursuant to the said Act according to the value of the Land or Ground so enclosed or taken or encroached upon before any Improvement was made thereof or therein and that when and so soon as we the said Commissioners should have finished and completed the said intended Division we should form or draw up and Award or Instrument in writing which should express specify and contain the quantity in statute measure of Acres Roods and Perches contained in every respective Allotment and a description of the Situation and boundaries thereof respectively with such orders and directions for the hedging fencing and ditching the same and making keeping in repair and maintaining such Hedges Ditches and Fences and for making laying out and repairing public and private Roads Ways passages Drains and watercourses in over and through the said Moors Commons and Waste Grounds and the Allotments to be made therein and which should contain [3] such Orders Regulations and

Determinations as should be necessary or proper to be inserted therein in conformity to and according to the true intent and meaning of the said Act And that we the said Commissioners should cause the said Award to be fairly engrossed upon parchment and should duly execute the engrossment thereof under our hands and seals to which said Award should be annexed the survey thereinbefore directed to be taken of the said Moors Commons and Waste Grounds signed by us the said Commissioners and whereon the said several allotments public and private roads ways watercourses and other matters and things proper to be described and delineated therein should be fairly set out and marked and expressed And that duplicates of the said Award and Survey annexed thereto should be made and one thereof Enrolled and Recorded at the Court of the General Quarter Sessions of the peace for the said County of Cumberland in the manner and for the purposes of the said Act mentioned And that immediately after the said Award and Survey should be executed and deposited as aforesaid All and every allotments and appropriations thereinbefore directed should and were thereby declared to be Freehold to all Intents and purposes whatsoever And that immediately the Execution and depositing of the said Award and Survey as aforesaid All Rights of Common of every

kind upon the said Moors Commons and Waste Grounds should cease and be for ever extinguished and all and every person and persons entitled to any of the said Allotments should and were thereby required to accept his her and their respective Allotments within the time thereby limited And it is by the said Act, amongst other things, further enacted that any Allotment or Allotments to be made by virtue of the said Act to any person or persons in Right of any Church or Chapel should be inclosed and fenced round with walls and thick set hedges or other proper bounds walls or fences at the expense of the proprietors of the other allotments of the lands and grounds thereby intended to be divided and inclosed and that the said hedges ditches or other bounds walls or fences when made should thereafter for ever be kept maintained supported and secured by and at the expense of the person or persons to whom such allotment or allotments should be made and that the hedges ditches and fences to be made for inclosing separating and dividing the several other allotments of the said Lands and Grounds should be made within such time and at all times thereafter repaired by and at the expense of the several persons to or for whom the same should be allotted in such manner as the said Commissioners should by their said Award direct and appoint And it is by the said Act amongst other things further enacted that it should

and might be lawful for the Owner or proprietor Owners or proprietors of Allotments to be made in pursuance of the said Act respectively to Exchange all or any part or parts of their respective Allotments And also any slice of his her or their Lands or Grounds Messuages Tenements or Ancient Inclosures lying within the said Barony and Manors with any person or persons whomsoever for any other Allotment or Allotments or any part or parts of any other Allotment or Allotments And also any other of his her or their Lands or Grounds Messuages Tenements or Ancient Inclosures lying within the said Barony and Manors so as all and every such Exchange or Exchanges should be made by and with the consent and approbation of us the said Commissioners and should be ascertained and decided in our said Award thereinbefore directed to be made And that all and every such Exchange and Exchanges so to be made as aforesaid should be good valid and effectual in the Law to all Intents and purposes whatsoever in which said in part recited Act are also contained divers other Rules Orders Regulations powers Directions Restrictions and Limitations for the better compleating and carrying the said intended Division into Execution as by the said Act relation being thereunto had may more fully and at large appear And whereas we the said Thomas Lawson Jams Boustead and John Norman the

Commissioners appointed in and by the said Act having taken upon the Execution of the several power vested in us under and by virtue of the said Act Andhaving first severally taken and subscribed the oath thereby required to be takenand subscribed before we or any of us acted as Commissioners in the Execution of the said Act did proceed to ride and perambulate the boundaries of the said Moors Commons and Waste Grounds intended to be divided and enclosed on Wednesday and Thursday the Thirteenth and Fourteenth day of June in the year of our Lord One thousand seven hundred and ninety eight of which riding and perambulation such previous notice was given as is directed in and by the said Act and we the said Commissioners did hold our first second and third meetings under the said Act for the purpose of carrying the same into Execution agreeable to the Direction of the said Act (to wit) the First of such Meetings on the twenty second day of August in the year of our Lord One thousand seven hundred and ninety eight the Second of such meetings on the fifteenth day of October in the year of our Lord One thousand seven hundred and ninety eight and the third of such meetings on the eleventh day of December then next following having first given such previous notice of the said three several and respective meetings as by the said Act is required And whereas at the said first and second

meetings of the said Commissioners held for the purpose of receiving claims of right of commons and for in other respects putting the said Act in Execution the following persons having or claiming to have right of commons upon the said Moors Commons and Waste Grounds [4] (that is to say) The Right Honourable Frederick Earl of Carlisle, Thomas Ramshay Clerk Rector of Netherdenton, Thomas Ramshay Esquire, Humble Lamb, Joseph Lamb, Thomas Waugh, John Hodgson, Edward Bell, Joseph Richardson, John Bell of Low Lonning, Ann Waugh, Thomas Lawson, and Hannah his wife, James Elliot, John Boustead, Ann Hodgson, Andrew Irwin, John Irwin, George Calvert, Joseph Addison, John Hull, Joseph Bell, William Payton and Mary his Wife, Robert Mitchell and Isabella his wife, William Russell and Mary his wife, Margaret Bell Spinster, Robert Gardhouse, Adam Thornburn, George Barnfather, John Bell of Sandhill, William Hutton, John Gardhou, William Richardson, John Bell of Banks, Mary Whitfield, Joseph Lamb and Alice Ashworth, John Barnfather, Thomas Tallentire, John Gill, Robert Warwick, John Richardson, John Jameson, Philip Bell, John Elliot, William Leach, Joseph Leach and Mary Thompson, did by themselves their agents or tenants respectively in pursuance of the directions contained in the said Act give and deliver in writing under their hands respectively to us the

said Commissioners present at such meetings an account of the said Messuages Lands Tenements and Hereditaments with the names of the tenants in possession for and in respect whereof they respectively claimed such Right of Common as aforesaid and whereas at the said third meeting of the said Commissioners held for the purpose of receiving objections to the said claims of Right of Common so given and delivered unto us as aforesaid at the said first and second meetings the following claims of right of Common so given and delivered to us as aforesaid were objected to by John Bell William Richardson John Hodgson George Barnfather James Elliott and William Hutton ...of the aforesaid persons having or claiming right of Common on the said Moors Commons and Waste Grounds of Netherdenton under their respective hands therein specifying and setting forth the causes and reasons of such objections agreeable to the directions contained in the said Act that is to say the claim made by the said John Barnfather of right of Common upon the Moors Commons and Waste Grounds within the Manor of Netherdenton in respect of his Messuage and Tenement at Crakestown was objected to because the said Messuage and Tenement was not situate within the said Manor or parish of Netherdenton and because the said Messuage and Tenement paid no ...or poor rate whatever to the said parish of

Netherdenton nor had any right of Common upon the said waste or any part thereof Also the several claims of the said Thomas Tallentire in respect of his Messuage and Tenement at Tarnhills, of the said Joseph Addison in respect of his Messuage and Tenement at Crakestown, of the said Joseph Lamb Esquire and Alice Ashworth in respect of their Messuages Lands and Tenements at Temmon, of the said George Calvert in respect of his Messuage and Tenement at Chapelburn and of the said John Gill in respect of his Messuage and Tenement at Carnitty were severally objected to by the said John Bell William Richardson John Hodgson George Barnfather James Elliott and William Hutton for the same causes and reasons as above specified and assigned in the objection made against the said John Barnfather's claim and whereas the said several persons making the said several objected claims having persisted therein we the said Commissioners in pursuance of the directions contained in the said recited Act, did with all convenient speed proceed to hear and determine such claims and objections respectively by such ways and means and in such manner and form as the said Act prescribed and did make and execute and award in writing under our hands and seals touching and concerning the said claims and objections respectively according to the directions contained in the said Act (as by such

Awards or the enrolment copies thereof Relation being thereunto respectively had may more fully appear) Now we the said Thomas Lawson, James Bousted, and John Norman the Commissioners aforesaid having made a plan survey and admeasurement of the said Moors Commons and Waste Grounds respectively which said survey is hereunto annexed and declared by us to form a part of this our Award and having finished and completed the said Division in pursuance of the said recited Act Do make and publish this for and as our Award in manner and form following that is to say And first we do award order direct and appoint that there be a public highway forty feet wide exclusive of ditches from the great military road leading from the City of Carlisle to Newcastle upon Tyne near a place called Scarrow Hill and extending from thence to Denton Hill in such direction as the same is set out on the said Moors Commons and Waste Grounds and described in the said plan hereunto annexed from the Letter A to the Letter B Also that there be one other public highway forty feet wide exclusive of ditches from the aforesaid Military road at a place called Rolomoor and extending from thence to Low houses from thence to Dixon Gaugh Road and Cashen Claigh and from Cithuen Craugh across the said Military Road near Lodges to Denton Lonning Head in such direction as the same is set out on the said Moors
